Rheumatism Cannot Be Cured Unless Uric-o Is Used.

Sudden Deaths, Heart Failure and Par-
alysis Are Caused by Poisonous
Uric and Rheumatic Acids.

The rheumatic person is skeptical re-
garding the claims of almost any remedy
advised as a cure for rheumatism, and
one can scarcely blame him for being so.
All the plaster and liniment com-
bined never actually cured a case of
rheumatism. They may relieve it in one
quarter, but it is sure to break out
somewhere else. The only true way to
cure rheumatism is to drive it from the
system, for as long as the uric and rheu-
matic acid remains in the blood, one is
never entirely free from the trouble.
This is where the value of Uric-o as a
permanent cure for rheumatism comes
in. It seeks out the rheumatic poison in
the blood, muscles and kidneys, renders
it inert and harmless and drives it out
of the system. That is why Uric-o is
such an admirable and effective cure for
rheumatism.

The chief reason that Uric-o is such a
wonderful cure for rheumatism is that
it is designed and prepared to cure rheu-
matism and rheumatism only. It is
composed of perfect antidotes for the
rheumatic acid poison in the system. That
is the secret of its wonderful suc-
cess. Rheumatism simply cannot exist
in a person's system if Uric-o is used.
Uric-o is sold by druggists at 75c and
\$1.00 the bottle, but if you still feel skep-
tical about its efficacy you can test it
free of charge by cutting out this ad-
vertisement and sending same, together
with your name and address, also the
name of your druggist, to The Smith
Drug Company, 160 Smith building, Syra-
cuse, N. Y., and they will send you a
sample bottle free. To persons who
write and say they have never used
Uric-o, and want to test it thoroughly,
and will agree to take it systematically
according to directions, they frequently
get a regular 75c bottle.

Uric-o is sold and personally recom-
mended in Barre by the Red Cross phar-
macy, or Hickett & Wells.

REAPING BENEFIT

From the Experience of Barre People.

We are fortunate indeed to be able to
profit by the experience of our neigh-
bors. The public utterances of Barre
residents on the following subject will
interest and benefit thousands of read-
ers. Read this statement. Its empha-
sis is convincing. No better proof can be
had.

L. H. Hooker, retired, of 101 Pros-
pect street, Barre, Vt., says: "Doan's
Kidney Pills, which I got at E. A.
Drown's, did me more good than all
the prescriptions and other remedies I
ever used. Over eight years ago I gave
a statement for publication telling what
they had done for me, and today I have
even more confidence in them than I had
at that time. I had suffered for a long
time from kidney complaint, and it finally
became so bad that my condition
was considered serious. My back ached
nearly all the time, an annoying urinary
difficulty existed and the action of my
kidneys was disordered. I used every
remedy I heard of, but without benefit.
Finally, until I resorted to Doan's
Kidney Pills. I used in all five boxes
and received wonderful relief. I use
this remedy occasionally now, and have
recommended it to dozens of people,
many of whom have been so greatly ben-
efited that they have come back and
thanked me for telling them of this
valuable medicine."

For sale by all dealers. Price 50
cents. Foster-Milburn Co., Buffalo, New
York, sole agents for the United States.

BURLINGTON MAN

SENTENCED TO 3 MONTHS.

John Abbey Showed Inclination to Vi-
olate the Law, Said Judge Mower in
Giving Punishment Yesterday.

Burlington, Nov. 19.—John Abbey was
sentenced by Judge Mower in city court
yesterday to not less than three months
or more than four months at the house
of correction. The charge against him
was having liquor on hand with intent
to sell unlawfully, to which he pleaded
guilty.

A plea was made by Abbey's counsel
to have him placed in the hands of
the probation officer as he was poor,
unable to secure work, and had a wife
and five children to support. The court
denied this motion. Judge Mower stated
that the intent of the probation law was
to obtain leniency for those who were
fortunate, young or who had violated
the law through ignorance. He said
that Abbey had plainly shown an in-
clination to violate the law, well know-
ing what the consequences of his act would
be, if caught, at the same time being
aware of the severity of the penalty. He
had provided for spilling his stock
in the street, and the officers arrived and
he spilled it when they arrived. He un-
doubtedly could have obtained work had
he looked for it. The court said the
family would not probably be much
worse off than before, for they had al-
ready been helped by the city.

Abbey's place was recently searched
by Sheriff Allen and Deputy Quinn and
they secured a small portion of a picke-
rel of whiskey, the major part having
been spilled in the sink at their ap-
proach. Three of the five children have
come under the attention of the truant
officer.

Windham County Divorces.

Although there were more than 30 di-
vorce cases on the docket of the fall
term of the Windham county court,
which closed Saturday, only 10 decrees
were entered. Two petitions were dis-
missed without prejudice and one was
dismissed until the requirements as to
residence have been complied with. The
divorces granted are:

Clara Martin of Jamaica, from Joel
E. Martin, for intolerable severity.

Katherine E. Gary of Brattleboro
from William B. Gary, for intolerable
severity.

Georgia E. Lackey of Brattleboro
from George Lackey, for refusal to sup-
port.

Alta N. Gore of Dover from Harry A.
Gore, for adultery.

Mabel R. Allen of Newfane from Gil-
bert A. Allen, for intolerable severity.

Aurelia Shipley of Brattleboro from
Carlos M. Shipley, for intolerable severity.

Guy H. Putnam of West Wardboro
from Lizzie L. Putnam, for willful desertion.

Harry C. Wales of Brattleboro from
Wilhelmina C. Wales, for willful desertion.

May the Lord help you make Buck-

me and cured it in a wonderfully short
time. Best on earth for sores, burns
and wounds. 25c at Red Cross pharmacy.
